

PRECIOUS ONOJERAME

Albuquerque, NM 87121
preciousonoj@gmail.com
+1 505 415 3123

Honor, Integrity, and service, are my motto. I am a highly Motivated Computer Science undergraduate at Eastern New Mexico University with a strong foundation in software development. I have successfully completed a Full Stack Development Certificate BootCamp at MIT(Massachusetts Institute Of Technology)where I acquired proficiency in JavaScript, MongoDB, Express.js, React.js, Node.js and Python. I have excellent problem-solving skills and a passion for learning new technologies. Eager to contribute technical expertise and innovative solutions in service to my country and humanity as a whole.

Authorized to work in the US for any employer

Certifications and Licenses

MIT Xpro full stack software development

December 2021 to November 2022

This course helped build my programming knowledge on the full stack software development process. With great focus on why and how different frameworks are used to achieve the best outcome for different projects. I learned from world-class professors how to implement backend solutions and frontend integration . Using cloud services like was, docker containers, heroku and the like.
